SEPTEMBER / OCTOBER 2019

FROM THE EAST

Reaching the last quarter of the year, I am humbled to say that everyone is still moving forward with keeping our lodge a place of peace and harmony, and that our public outreach is growing. This past summer season was a very active and successful one, with a great turn out at our Summer Solstice Feast and Chili Cook Off. I am pleased to say that we have gained five new candidates to join our lodge, partly because of these events. We have three Masons from other Lodges affiliating with us and two candidates getting their degrees scheduled in November. If you haven't already, please introduce yourself to Abel and Brian and be on the lookout for their Degrees.

We have quite a few events happening in October and November, with multiple degree practices for our officers and a few special events, one being our Hiram Award Dinner on September 18th. If you haven't already heard, Worshipful Ron Duncan, P.M., will be receiving our lodge's Hiram Award. With all that Worshipful Ron has done and continues to do, I can't think of a Brother more deserving than him. Please come out and enjoy an evening of recognition and good fellowship. Members, family, and friends all are invited to attend. Another event I wish to have all the members attend is Brother Oscar Garcia's Second Degree on October 9th. This will be a tuxedo night for the Officers. We hope to have a great showing that night and are looking forward to it.

Officers, please plan on being present at all practices in the future, as this was an obligation you took when you agreed to take a seat in the line, and we have quite a few Degrees coming up, thankfully.

We still have plenty to accomplish towards making our building more financially stable. We have been meeting with members to plan a solid strategy for getting more frequent rentals and modernizing our building. I want to thank all those who have been putting in the time to help plan 2020 and the years to follow.

As always, let's continue to spread the Light in the dark and continue to uphold what our Fraternity holds dear: a Moral Compass and the Will to seek knowledge.

"Audi, vide, tace, si vis vivere in pace" - Hear, See, Be Silent, if you would live in peace.

Sincerely and Fraternally,

Joseph Aritelli-Newman
Worshipful Master

SPECULATIVE FREEMASONRY

One of the conventional definitions of “Speculative Freemasonry” is that “it is but the application of Operative Freemasonry to moral and intellectual purposes.” This is useful to a point in applying symbols as such from the Aristotelian inductive philosophical mode of tracing things inwards from particulars to universals. But in our view the sequence is reversed and engages more the hidden views of the deductive reasoning of Pythagoras and Plato, plus the view of the Ancient Wisdom of the more esoteric understanding that all things proceed from the inner being to outer appearances: from within to without, from universals to particulars, and to the appearance of phenomena being a creative precipitation of inner impulses.

The work of the Grand Lodge on High is concerned with the revelation of spirit through the medium of the outer world of forms. The work of the individual Freemason, within the Temple of his own heart, has the same major theme or plan. The work that each Lodge is intended to demonstrate has basically the same objective—the revelation of divine quality in group form.

In this light, it is possible to realize and understand that the operative art or craft emerged from and is a precipitation into form of the speculative science. That inner speculative science is occupied with the task of enlightening, educating and raising the consciousness of humanity.

The true builder in this enterprise, to which all the symbolism in Freemasonry alludes, is that of the soul within, the builder of the inner man, (in Sanskrit terms, the *solar pitri*), whose objective is to raise states of matter to approximate states of consciousness.

Greetings from the West

Hello My Brethren,

I find it hard to believe that we are now entering the fourth and final quarter of 2019; it seems like just the other day that the Officers were being installed into their respective stations and we were starting a new Masonic year.

As Joe and I continue the planning process for next year, we would like to remind anyone who is interested in taking a position next year as an Officer to please let us know. We would like to highly encourage anyone who is interested in a position to start attending our ritual practices and begin the process of learning the ritual and rod work.

As I am typing this article we are preparing to give Brother Oscar Garcia his 2nd Degree of Masonry. I encourage all our Fellow Craft and Master Mason brethren to attend his degree and support this up and coming Brother.

I will leave you with the Masonic joke I heard the other day: A Candidate for initiation was to be picked up and driven to the Lodge, but before this could happen the car broke down. The Candidate said as no great distance was involved, he would go on his bicycle. Just when he reached the top of the hill his chain broke. As the Lodge was at the bottom of the other side and all he needed was a backpedal brake, he repaired the chain with a cord he had in his pocket and free-wheeled downhill to the Lodge. Later that evening in reply to a toast in his honor, he said how proud he was to be a Freemason but could not understand, as he had told no one, how the Worshipful Master knew that he had come "on his own free wheel and a cord".

See you in Lodge,

Greg Peterson, P.M.
Senior Warden
