## From the East

Happy New Year...2015

Thank you my Brothers for having the faith in me to do this honored position. I look forward to the challenges ahead to make this year more prosperous than last. I have the fortune to review what I had set out last year and improve upon it this year. My goal to come up with a five year plan and increase membership vital to sustaining our Lodge...has not happened...I hope this year it will... Let us all put on our thinking caps again and ask ourselves why we are members and what would it take to get a non-member to have the same vision. We need to ask what we do as

MIKE LOGAN, PM

Masons to make a difference, why do we come out. These are hard questions ones that we should all think about and share so that we can approach someone and give a reason why we belong so that they can relate and want the same..... Another is community involvement...we still do not have a face in San Pedro...ask anyone and they could not tell us where

we are at or that we exist...to get into the community we have to do two things...the first takes time the second takes money...since we are on such a financial hold...one that might be won by our own demise..... I will forgo the second measure in favor of the first and say that we MUST volunteer our time into the community...yes it is hard enough to get people out here to volunteer on a regular basis to work around the Lodge, but we need to get into the community by volunteering and doing something...anything that will get us a face in town...think about it, the more we do as Masons the more we get recognized..... Last is what is it that we do as Masons here that keeps us coming out...I think that we have great programs we have developed and this will be an emphasis throughout the year to grow these programs and make them vital to our success. Remember we are a Family of Freemasonry and we will continue to support and work within our family.

Congratulations to Brother Eric Langdon who was recently installed Grand Outer Guard of the Grand Council Job's Daughters International. We are also proud of Brother Roger Neider who is having a great year as Worthy Grand Patron of the Grand Chapter of California, Order of Eastern Star.

**In regards to the five year plan if you are interested in participating or have any suggestions please come forward, it is your Lodge and your say may help save us. I will be addressing the five year plan all year.....**

Please check the calendar for the events for January and February and support our Lodge...WE NEED YOU!!!!

February we will honor our Sweethearts with a Family Night Dinner. Please contact our Junior Warden for reservations. Remember all Sweethearts are invited and dinner is on us.

Lastly if you want to receive the Trestle Board by e-mail only or both please e-mail the Secretary with your info and if you already receive it please update your info regardless if it is correct or not. ~Mike Logan, PM

## FOR REFLECTION

### Kundalini and Hiram Abiff in Masonry

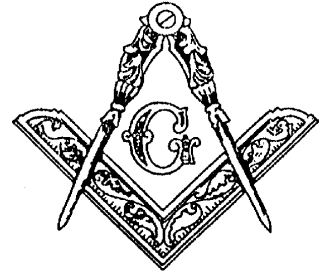

“In an old manuscript appears the statement that the Freemasonic Order was formed by alchemists and Hermetic philosophers who had banded themselves together to protect their secrets against the infamous methods used by avaricious persons to wring from them the secret of gold-making. The fact that the Hiram legend contains an alchemical formula gives credence to this story. Thus the building of Solomon's Temple represents the consummation of the magnum opus, which cannot be realized without the assistance of CHiram, the Universal Agent. The Masonic Mysteries teach the initiate how to prepare within his own soul a miraculous powder of projection by which it is possible for him to transmute the base lump of human ignorance, perversion, and discord into an ingot of spiritual and philosophic gold. Sufficient similarity exists between the Masonic CHiram and the Kundalini of Hindu mysticism to warrant the assumption that CHiram may be considered a symbol also of the Spirit Fire moving through the sixth ventricle of the spinal column. The exact science of human regeneration is the Lost Key of Masonry, for when the Spirit Fire is lifted up through the thirty-three degrees, or segments of the spinal column, and enters into the domed chamber of the human skull, it finally passes into the pituitary body (Isis), where it invokes Ra (the pineal gland) and demands the Sacred Name. Operative Masonry, in the fullest meaning of that term, signifies the process by which the Eye of Horus is opened. E. A. Wallis Budge has noted that in some of the papyri illustrating the entrance of the souls of the dead into the judgment hall of Osiris the deceased person has a pinecone attached to the crown of his head. The Greek mystics also carried a symbolic staff, the upper end being in the form of a pine cone, which was called the thyrsus of Bacchus. In the human brain there is a tiny gland called the pineal body, which is the sacred eye of the ancients, and corresponds to the third eye of the Cyclops. Little is known concerning the function of the pineal body, which Descartes suggested (more wisely than he knew) might be the abode of the spirit of man. As its name signifies, the pineal gland is the sacred pine cone in man--the eye single, which cannot be opened until CHiram (the Spirit Fire) is raised through the sacred seals which are called the Seven Churches in Asia.”

## From the West

By: Ronald Duncan Jr, Senior Warden

Brethren,

In case you didn't hear, it is with a heavy heart that I announce the passing of Brother Dale Ogden. Just as it appeared that he was making it through the roughest part of his treatment and looking forward to being able to attend Lodge again, Dale lost his battle with cancer. R.I.P. Dale.

I wanted to say that it is with great honor that I was elected to this office again and I am looking forward to overseeing our candidates and assisting the Worshipful Master in "governing" the Lodge. We had a wonderful year full of new applications last year and did quite a few First Degrees. As such, there will be many candidates progressing through the rest of their degrees this year and I will be assisting them with their progression. If you are willing to help out and take on a candidate, please let me know as I'll be looking for volunteers to assist.

The latest crop of "j anglers" are really engulfing themselves into the Craft and getting involved in many aspects of the Lodge. I am looking forward to the future Masons that are being cultivated in the newest generation that we have as part of our links program.

Allow me to take a moment to remind all regular Masons of Los Angeles Harbor Lodge #332, that are not life members, of your responsibility, nay, your DUTY to your Lodge to pay your dues.. The annual dues for 2015 will again be \$236.50 due to per capita not changing. Remember, if you have not paid your dues by 12/31/2014, you are 'technically' in arrears. Please remember your duty and pay your dues as soon as possible!

I look forward to a busy year of Degrees and a busy social calendar that our Brother Junior Warden Matt Stevens will undoubtedly do a stellar job maintaining for the 2015 calendar year!

Look well to the West!

## From the South

By: Matthew Stevens, Junior Warden

Greetings from the South, or as we say in my home town "Ay up from t'South" (It Yorkshire dialect). Thankfully I can write in correct English so my messages from the South this year will be understood by all.

It is now 3 and a half years since I first visited LA Harbor Lodge and in that time the social events at the Lodge have gone from strength to strength. We will be holding our regular annual events along with one special event in June, of which more information will follow.

At the time of writing the exact dates for some of the events are not fixed but here are a current list of planned events and the month. The dates and times will be posted on the Lodge Calendar and in the relevant Trestle Board.

January – Installation of officers

February – Sweethearts and Widows dinner

May – Scotch and Wine Tasting + Silent Auction

June – Grand Lodge Officers Reception for Worshipful Shawn Donohugh Senior Grand Deacon

June – St Johns Feast Dinner

July – 4<sup>th</sup> July Lodge BBQ

July – 6<sup>th</sup> Annual Old West Chili Cook off

December – Annual Christmas Party and Puppet show

Along with these events we will also have our Bi-monthly Mariners nights (Socials) held in The Goose and Gridiron – these are on the 1<sup>st</sup> and 3<sup>rd</sup> Fridays of each month and begin at 7:00pm.

These events do not happen by themselves and I would like to take this opportunity to thank all those in advance who volunteer to help with the set up, cooking and clean up that each event requires. Luckily we have a fantastic, dedicated group of "j anglers" at LA Harbor Lodge who do a great job behind the scenes as they progress through their degrees.

Here's to a very socialable 2015 – Chin Chin
