VOLUME 117, ISSUE 2

From the East

What's Up? Well here at L.A. Harbor a lot is up...such as...we are in the midst of getting a lot of things accomplished....The Temple Board has been busy with tackling a lot of projects that keep our building in good shape....We are having an Eagle Scout project down at the front entrance and it would help beautify the area... We are having better communication with people that show an interest in Masonry due to the Membership committee which has a direction on addressing their needs... We will have two Degree's a Second in April and a First May...

MIKE LOGAN, PM
WORSHIPFUL MASTER

I would like to talk about a Masonic regulation that California has imposed on its members which stems from being sued by

not having permission publicize any information without a fully signed release. We are in the process of getting our members to sign a release form that is to stay active until any changes are made....please when approached look over the form and sign it or we can not have your image or any information taken or posted in the trestle board. That is why for this month only I can not say who is getting their Degrees.

One of my major goals is to get the Child ID into the community at every opportunity. If you happen to hear of an event that we can utilize it please let Joe Aritelli-Newman know for he is in charge of arranging people to man the events. This is something that all our groups will be involved in and we are in the process of getting shirts for all of us...This will give us an identity that will become known in the community....

Lastly...please keep your eyes focused on the calendar and support the up-coming events that pertain to our youth. On Saturday March 1st we are having a Grand Bethel reception for Fourth Messenger, Christina Railey, at 1PM. On April 12th we are having our third DeMolay Installation, James McPherson is going in as Master Councilor....I can not stress enough what our support as Masons means to the youth groups....Please make every effort to be there for them and make our presence known as Masons in support of our youth...

Mike Logan W.M.

Did you know about the Masonic lodge on the Moon?

The Story of Tranquility Lodge No. 2000

On July 20, 1969, two American Astronauts landed on the moon of ...the planet Earth, in an area known as Mare Tranquilitatis, or "Sea of Tranquility". One of those brave men was Brother Edwin Eugene (Buzz) Aldrin, Jr., a member of Clear Lake Lodge No. 1417, AF&AM, Seabrook, Texas. Brother Aldrin carried with him SPECIAL DEPUTATION of then Grand Master J. Guy Smith, constituting and appointing Brother Aldrin as Special Deputy of the Grand Master, granting unto him full power in the premises to represent the Grand Master as such and authorize him to claim Masonic Territorial Jurisdiction for The Most Worshipful Grand Lodge of Texas, Ancient Free and Accepted Masons, on The Moon, and directed that he make due return of his acts. Brother Aldrin certified that the SPECIAL DEPUTATION was carried by him to the Moon on July 20, 1969.

To commemorate this historic event, and to further solidify and establish Texas Freemasonry on the Moon, it is proposed that a charter be issued to a new Lodge, to be known as Tranquility Lodge No. 2000, and that authorization for such new Lodge and its purposes be granted by the addition of Article 201a, to read as follows:

What is Tranquility Lodge 2000?

Tranquility Lodge 2000 was Chartered by The Grand Lodge of Texas for the purpose of promoting, encouraging, conducting and fostering the principles of Freemasonry, and to assist in promoting the health, welfare, education and patriotism of children worldwide.

The Grand Lodge of Texas is the first Grand Lodge to have a Member step onto the Moon, Brother Buzz Aldrin, in 1969. Through this event, The Grand Lodge of Texas has Chartered Tranquility Lodge 2000 for the purpose providing Fraternal Assistance to Masonic Organizations and other worthy organizations who help make life better for all living on Earth. Tranquility Lodge 2000 is based in Texas under auspices of The Grand Lodge of Texas until such time as the Lodge may hold its meetings on the Moon. Our meetings are held quarterly at various cities in Texas, with the annual meeting being held in Waco each July.

Providing support and assistance to Masonic Organizations and to other worthy organizations who help make life better for all living on the Earth requires the support of all worthy Freemasons around the World. Your Membership in Tranquility Lodge 2000 helps in providing that assistance while offering Fraternal Brotherhood with Good Men of like mind.

From the West

By: Dale Francis Ogden, Senior Warden

Greetings from the West.

Worshipful Mike has set the tone of our Lodge for the year and one of his highest priorities, as always, is membership. Membership is the life blood of any organization; without members, we have no reason to exist. Membership in fraternal organizations in general has dropped in recent years for a number of economic and demographic reasons and, while we had a brief spurt of new members in recent years, we have had very few degrees in the last 12-18 months.

So ask yourself, why did you become a Mason? Why do remain a Mason? Do you have friends who might also want to be Masons for similar reasons? If so, invite them to our Lodge events. We don't believe in high pressure sales, just let them enjoy our company. I believe we have terrific camaraderie among our brothers but we should strive to share that camaraderie with an ever wider circle of friends. We make good men better, so let's do more of that. Worshipful Mike also wants us out in the community more, showing people what Masons do, who we are. When we do things for the youth in our community, we get the attention of their parents who may want to participate in these activities. We need to be seen and heard so that people know that Masons are good men helping to make a better world. When this happens, we will have lots of good men wanting to join us in our quest.

We have a very nice facility and it takes money to maintain that facility. Utilities, taxes, repairs, etc., are a constant drain on resources. Dues income provides a small (but important) part of the cost of such maintenance. The Hall Association has been able to manage to keep the doors open by renting out our facility. But we always need more members and more dues. I was looking through an old Junior Warden's report that showed more than 100 people with reservations for dinner on Stated Meeting night. These days, we are lucky to have 15. Join us, participate, and help us grow.

Remember, the more you give, the more you get.

The LAMSB breakfast honoring the Grand Master will be Sunday March 2nd. The Lodge has again purchased a table of 10, so if you're planning on going, get your ticket SOON! Bloodys at Alpine after.

From the South

By: Ronald Eugene Duncan Jr, Junior Warden

Brethren,

As it is the responsibility of the Junior Warden to prepare for the feasts (and other social events), I am appreciative to those that have stepped up and helped cook for some of the goings on at Lodge. A wonderful spread was put on by Cliff Kane for our Big Game Party and Worshipful Jeff Baker made some DELICIOUS baked ziti for a social night that made its second round to a Stated Meeting. I will continue to ask help from the Brethren for assistance in the kitchen. On the subject of the kitchen, I need to discuss clean up. As one that has cooked, served, bartended and been at the Lodge for over 6 hours for an event, I know that it is tiring to have to do the work by yourself. Because of this, I usually don't expect the cook to have to be on kitchen clean up duty as well. But Brethren, we have gotten lazy in our care for the kitchen. When we had many Janglers fulfilling duties of clean up, we didn't spend the time in the kitchen that we used to. Now we have few and we are not making sure that the kitchen is clean before we retire from the Lodge. Brethren, I humbly implore you to make sure that the kitchen is clean, items are put away and the cabinets are locked and dish washer is off before you leave in the evening. If we all can help with these tasks, it makes the work load light. Thanks for the help that has been provided and I know that much more will come this year! Oh, and I'm not receiving many reservations for events. Please be sure to get in the habit if you aren't already for making reservations. You can email them to ronduncanjr@gmail.com or leave a message at (714) 476-4642.

Look well to the South!

You are cordially invited to the Annual DeMolay Meatloaf Fundraiser Dinner on April 16, 2014. Cost is \$10 for adults and \$5 for children under 12. Come out and support our Demolay for their biggest fundraiser of the year! Contact Ron Duncan for tickets.
