

March / April 2017

Greetings from the East,

As I write this Southern California has just endured some really stormy weather, I hope everyone stayed safe and got through it. I would like to encourage any brother or widows of brethren to reach out to the lodge if you are in need of assistance following these storms, such as the discovery of leaky roofs, blocked drains etc, we would like the opportunity to help out and offer assistance where we can.

We are approaching the busy social season for the Lodge and plans are well under way for our major charity event of the year, The Silent Auction with Scotch and Wine Tasting – This event is in May so expect more details to follow in the next edition of the Trestle Board. But keep in mind any items you may wish to donate for the Charity Auction. Please contact our Assistant Secretary Wor. Mike Logan to donate.

We have had some great events recently, particular mention goes to our Valentines Sweethearts and Widows Dinner. The food and ambience were excellent and very well received – thank you to all involved.

On Sunday 5<sup>th</sup> March we have booked our table for the 2<sup>nd</sup> largest gathering of Freemasons in the State (after Grand Lodge) for the LA Masonic Service Bureau Breakfast in honor of the Grand Master. This breakfast will be followed by the traditional visit to toast absent Brethren with Bloody Mary's. All are welcome to join the Brethren at Goodfellows Bar in San Pedro @ 11:00am.

On 19<sup>th</sup> April the Lodge is very happy and excited to support our young men from San Pedro DeMolay as they host their annual Meatloaf fundraiser, this events really helps the boys out with their activities, please come out and support if you can, tickets will be available soon.

Finally a big thank you to the Junior Warden and all the Brethren who have helped to make the events and dinner so successful.

Matt Stevens. Worshipful Master

**Meet the team**

**Dave Bernard, Senior Warden**

Dave was born in Subic Bay, Olangapo, Philippines and moved to the U. S. at the age of 2. Being a military brat, Dave went to six different grade schools until his father transferred to Norton Air Force Base in San Bernardino when Dave was in 6<sup>th</sup> grade. Dave's father retired from Norton and stayed in the area, allowing Dave to complete middle school and high school in San Bernardino. At age 18, Dave moved to San Francisco for a couple years, and spent time on the Oregon coast, working in a fish processing plant. It was here that he learned about the Coast Guard. He joined the service in 1993 and enjoyed a successful 22-year career before retiring as a Chief Petty Officer in 2015. Dave will still answer to "Chief" if he hears it. He is currently enjoying his retirement, and working as little as possible as a substitute teacher for the Los Angeles Unified School District.

It was at his last duty station, USCG Sector Los Angeles/Long Beach, that Dave sought the light. Having known Masons throughout his life, he always had a curiosity about the Craft. Another Chief at his Unit invited him to a social night at LA Harbor Lodge #332. He enjoyed the camaraderie he encountered at the lodge and saw membership as an opportunity to belong with something bigger than himself. He immediately became a lodge officer after receiving his 3<sup>rd</sup> degree. He and is also a member of Al Malaikah Shrine, and past president of the Beach Cities Shrine Club. Dave is an avid fly fisherman, and most enjoys backcountry fishing trips. He lives with his wife Laura and two kids, Nico and Maria in San Pedro.

**Tamer Maamoun – Marshall**

Tamer is a California native born in Bellflower. He got his degrees at his Mother Lodge #207 in Anaheim in 2012, getting his third on August 29, 2012, before moving to LA Harbor Lodge to continue his education. He is also a member of the Scottish Rite in Long Beach and our Eastern Star Chapter, Knights of St. Andrew and has been an officer at the Scottish Rite since 2016. He is a musician/composer and got his bachelors degree from CSUDH in music composition. He aspires to write (music and otherwise) and do many philanthropic projects involving the arts and music. He enjoys reading, listening to music, playing music, video games, board games, exercise, cooking, spending time with friends and family, watching movies, creating and taking in others' art, travel, learning, among many other things.

Greetings from the West,

It may be cliché to say, but this year is already flying by. Spring is almost upon us and with it, our busiest time of the year for our Lodge. I look forward to an excellent program being planned for our Silent Auction benefit with Scotch and Wine tasting in May. The Lodge and San Pedro chapter of OES will look to all of us to make this night a success by raising funds for local charities, while enjoying an evening of fun and fellowship. I hope to see many of you there. Before we know it, our annual Saint John's Feast will be here. This is always a great time and this year is extra special, as we will celebrate 300 years of modern Masonry. Look for these events and others in the calendar.

I'd like to thank Bro. Shaun Jukes for taking the time to set up the Lodge app. Details will be coming out very soon on how you can download the app and begin using it to stay in contact and informed of Lodge events. The app works like other social media sites, allowing messaging that is only visible within the app. Our calendar has also been loaded and you can set it up to receive notifications of events. There is also a tab that links to PayPal where you can pay for ticketed events, make donations, or pay dues. A few of us have already started using the app, and as more people join, it will be a great way to stay in touch and up to date. This is a secure app and is managed by the Grand Lodge of California.

The end of February found our lodge officers hosting our monthly district Officer School of Instruction. It was great to see our Senior Deacon don the top hat and sit in the East for the 1<sup>st</sup> degree ritual. He did a fantastic job and well on his way to qualifying for Junior Warden next year. The 1st degree preamble comes from Psalm 133, "Behold, how good and pleasant it is for brethren to dwell together in unity!" I love this line, which causes me to not only look around the Lodge room and think how great it is to be with my brothers, but I also think of all our Lodge brethren and the community. In this degree, we also learn about the three great tenets of Masonry-Brotherly Love, Relief, and Truth. In the explanation of Brotherly Love, we learn that "Masonry unites men of every country, sect, and opinion, and causes true friendships to exist among those who might otherwise have remained at a perpetual distance," It is perhaps one of the greatest things I love about our fraternity. In the very few years I've been involved in Masonry and our Lodge, I know this to be true. I have gained and am thankful for the great many friends I've gained from so many varied backgrounds and beliefs.

Looking well to the West,

Dave Bernard, Senior Warden

Greetings from The South,

2017 is now in full swing as we continue to move into March and April. So far our events have had great success as far as cost and budgeting goes as we have taking in more money then spent, thank you to our chefs for being so budget conscious.

The attendance at our events is slowly gaining ground as we continue to promote our events, however, much work is still required as our Social Media is gains support.

For the months of March and April the following dates are for our Social Nights 3/3, 3/15, 4/7, 4/21, all starting at 6:30pm in our Goose and Gridiron Room. We also have a few big events happening in May and June which include our Annual Charity Event featuring a Scotch/Wine Tasting and our Saint John's Day Feast.

This year we have decided to "dress-up" our Charity Event with a Roaring 20's theme and taking place on Saturday May 20<sup>th</sup> @6pm instead of our usual Sunday afternoon date. Also coming up in June is our Annual St John's Day Feast taking place on June 24<sup>th</sup> @6pm. More information will become available through our Trestle Boards, Lodge website, Instagram and Facebook pages as we get closer to those dates.

Remember these events are only successful if we as members of Los Angeles Harbor Lodge are promoting them around the community and also attending them as well. Let's keep up the good work and continue to make this a successful year!

Cheers!

Joseph Aritelli-Newman, Junior Warden
