MARCH / APRIL 2018

FROM THE EAST

I hadn't expected to be writing a Master's message in this *Trestleboard*, but I am happy and honored to serve Los Angeles Harbor Lodge #332 in 2018. Many thanks to the brethren of the Lodge for trusting me with this office. I will do my best to warrant their trust.

I sincerely wish Dave Bernard had been able to continue as Master, but personal issues made that impossible. He is a very good man, and we all wish him well. We had also planned to install Jeremy Chongco as Senior Deacon, but he has been ill, and we were not able to do so. Jeff Baker, our Officers Coach, is our Senior Deacon for now, but we are hoping Jeremy will be able to rejoin the line shortly.

I believe everyone was pleased with the Sweetheart's Night and the Installation of Officers on February 14, Valentine's Day. Attendance was high, the tables were beautifully decorated, and the dinner was very good. Well done, R Catering Affairs! It was wonderful to have many of our past Lodge Sweethearts present, as well as all our other Sweethearts.

The Installation was very nicely done. Many thanks to Ed Taylor for serving as Installing Officer, to Ron Duncan for being the Master of Ceremonies, and to Dick Watson for being Installing Chaplain. Ed gave his work from memory, and it was superb.

We had a 1st Degree in January and a 3rd Degree in February, both well done. Congratulations to the Candidates and to the Officers participating.

Please join us for the Lodge's upcoming activities. We are planning some excellent events. The latest information will always be on the Lodge's web site: www.SanPedroMasons.org

MASTER MASON'S WAGES

In most jurisdictions the Senior Warden, during meetings, repeats the phrase, "receive Master Mason's wages." Such wages help a Mason to support himself and family, and contribute to the relief of distressed Master Masons, their widows and orphans. But what, really, are Master's Wages?

The wages of a Master Mason can be divided into three categories: Spiritual, Temporal, and Personal.

Spiritual Wages Do you recall the first words spoken by you in a Masonic Lodge? Those words were a crucial insight into the very personal and spiritual part of your make up. Because it was a spontaneous and honest response, it was a significant examination of self, and verified and confirmed your sincere belief and trust in God – Master's Wages in their most unalloyed form.

Temporal Wages There is a very dedicated group of members in one Lodge, who have spent many hours on much needed repairs and cleanup work on the Lodge building. These members did not spend time away from their families and other commitments for personal gain. They did it for the good of the Lodge, its members, and Masonry in general.

What was it that prompted these good Brothers to give of their time and talent, and what was their reward? It was Master's Wages, earned through the satisfaction and pride in a job well done, and done for a good and beneficent purpose.

Personal Wages Master Masons, during their personal journeys, receive Master's Wages in many ways – an appointment to the Lodge line, or election and installation as the Lodge Master, or an appointment to a Grand Lodge office, or even election and installation as Grand Master. There is recognition for 25-year or 50-year membership, there are Masonic service awards, and there is the gratification felt when you are complimented on good ritual work.

But the most important aspect of personal Master's Wages is the warm and altruistic feeling you get when you have been instrumental in helping another human being feel better about themselves, by encouraging and helping them in time of spiritual or physical need, thus making the world a better place for them and others.

Master's Wages: a metaphor for a way of life.

Special Mariner's Night – 6 April 2018

On Friday 6 April we will have a Movie Night as a part of Mariner's Night. We will be showing the film "The Freemason" on our large screen television. It's a PG-13 murder mystery that IMDb says is "a thoughtful suspense thriller." Join us for the screening!

The Annual Feast of St. John – Friday 15 June 2018

It's that festive time of year when we again gather to eat, drink and be merry - it's the **Annual Feast of St. John!** If you've attended in the past, you already know this is an event to remember. We are celebrating the 301st anniversary of modern Freemasonry! Come and join us in all the camaraderie and frivolity as we mark this auspicious occasion.

It's our annual grand 6-course feast with the traditional 7 toasts – where we have fun raising money for the Grand Master's Project. Remember that it is a Black Tie event, and that you should bring that "extra cash" for the usual fines that will be levied by the Master. The event is open to non-Masons, but is a MEN ONLY event.

Greetings from the West

As we continue to move along with the year, I first want to express what a great job the Officers of this Lodge did for our First Degree in January and our Third Degree in February. The 1st Degree was truly a wonderful night, especially hearing the excellent lecture from our Past Master, Ed Taylor. Our newly obligated Brother Garcia was very grateful for the evening and had a great experience in our new *Chamber of Reflection*. Our Third Degree in February was also a memorable one for our new Master Mason, Kohle Heimlich. The Degree was excellent. Our Officers have stepped it up this year with the ritual and are proud of the progress that is being made.

We have some exciting events coming in the next few months, which we hope everyone will attend. On April 6th we will be having a Movie Night at our first Social Night in April. We will be showing "The Freemason," a PG-13 murder mystery.

We are continuing to expand our list of events which we hope will increase membership. As long as we continue to work together and support each other, we can accomplish anything. Let's keep up the good work!

Joseph Aritelli-Newman
Senior Warden

Greetings from the South

Before anything else, I want to give big congratulations to our newest Entered Apprentice Oscar Garcia and to our newest Master Mason, Kohle Heimlich. To Oscar, welcome to the first step in our beloved craft! To Kohle, welcome to full membership in Los Angeles Harbor Lodge! Congratulations as well to the Officers who did very good ritual work for the two Degrees.

We are planning a *First Responders Night* to honor the men and women who provide the essential safety services on which we all depend. We will be inviting representatives of some of the local agencies, and we hope you can join us for this special event. More information to follow!

I can't thank the brethren enough who have helped me with the first dinners, Mariner's Nights and events I have had so far this year while serving as Junior Warden, and for the tips given by brethren about having an efficient year as Junior Warden. Our events are only as successful as our teamwork and attendance. We're off to a strong start, let's keep it going!
