MASONIC LODGE # 332 F. & A.M.

FROM THE EAST

We have a new lodge brochure. It's designed to answer questions about Masonry for those who might be interested in the fraternity. We plan to use it when we get inquiries about membership, or when anyone asks about Masonry. If you would like a copy, please call or email our Secretary, Shawn Donohugh. He will be happy to send you one. Thanks to Shawn Donohugh, Joe Aritelli-Newman, and others who helped put it together.

Our two community events in October went very well. We had a booth at the US Fit Expo, and passed out an early version of our new lodge brochure. Thanks to Michael Quintal, Joe Aritelli-Newman, and Ron Duncan for making this event happen. At the Harvest Festival, we passed out the much better version of the lodge brochure. Thanks to Oscar Garcia for making this event happen.

Our Secretary and Senior Warden attended Grand Lodge in San Francisco, and we are looking forward to their report at the November Stated Meeting.

The election of lodge officers for 2019 will occur at the November Stated Meeting on Nov. 7, 2018. This is an important event for the lodge, and I ask that all our members attend if possible. We will be electing the Master, Senior Warden, Junior Warden, Treasurer, and Secretary, as well as three Directors for the Hall Association.

Our Annual Family Christmas Party is on Wednesday Dec. 12 at 6:00 PM. We will have our usual outstanding puppet show, followed by a visit by Santa and food and refreshments for all. This is always an exciting evening. Bring your family and friends, and particularly your children and grandchildren.

Our Social Nights are on the first and third Fridays of each month. These are informal events open to members, friends, and families. Ladies are welcome. Our potential applicants are particularly invited to these evenings.

Please join us for the Lodge's upcoming activities. The latest information is always on the Lodge's web site: SanPedroMasons.org.

What it Means to be a Mason

If someone should happen to ask you what it means to be a Mason, here are some answers.

Membership in the brotherhood of Masons means many things.

It means being part of an unbroken tradition that stretches back over 500 years to a time when guilds of Freemasons traveled throughout Europe laying the stones of the great Gothic cathedrals.

It means honoring our basic principles:

Brotherly Love - we value respect, freedom, kindness, tolerance, and our differences - religious, ethnic, cultural, social, generational, and educational - and strive for harmony in our individual lives, in our lodges, and in the global community.

Relief - we take responsibility for the well-being of our brothers, our families, and the community as a whole. We provide relief through philanthropy, community involvement, and delivery of excellent care.

Truth - we stay true to our personal code of conduct and ethics - honor, integrity, personal responsibility, and the continuous pursuit of knowledge.

It means becoming a better person while helping to improve the quality of life for others.

It means forming deep and lasting friendships that transcend the boundaries of race, religion and culture, as well as those of geography.

It means supporting public education. We continue to be leaders in statewide support of public schools.

It means refraining from discussing political or religious matters in lodge, as we know that these issues can be very divisive, and we wish to be inclusive of all faiths and political views.

It means you have Brothers all around the world who share your values and whom you are welcome to visit in their lodges.

Greetings from the West

I first want to thank everyone for continuing to support all the lodge's functions. With that in mind, I would like to discuss some of our goals for next year, should the Brethren choose to elect me as Master.

One of our goals for next year is to increase the number of men joining our lodge. I believe we will be able to meet that goal if we continue to enhance the lodge for the future as we have been doing lately. Our lodge was present at two community events this past October, with hundreds of brochures and information given about our lodge and Freemasonry. The Brothers manning the booths and engaging with the public played an important role in the effort to attract new members.

Another of our goals is to continue getting out in the community and to make our name more familiar there. We are planning more community service activities to help better our relationship with the city of San Pedro (and hopefully RPV and PV in the near future) by hosting community/chamber of commerce events at our lodge. We also hope to start participating in beach/park cleanups around town and helping at food drives and homeless shelters.

However, little of this will be possible unless we find new ways of getting our current members back to lodge and its functions. Which brings me to the point of letting all those know who are currently unable to make it to lodge due to health or transportation reasons, that we plan to put together a committee to better help plan and cater to those who are in need of assistance or just a Brother to talk to whenever the need arises.

Along with this, I also want to reach out to all the Brethren who may have ideas or would like to see different things happen at lodge to make it more engaging and fun to be around. We plan to start more "member exclusive" events and activities next year to keep our lodge fresh and lively throughout the year. Such ideas include poker/pool tournament nights, fishing/casino outings, and anything that YOU the members want to see happen. So if there are any ideas anyone wants to bring to the table, feel free to let us know. I am open to anything that will attract more interest in the Lodge and our membership.

Hopefully, the next few years will be busy for us with more community engagement, additional lodge rentals, new membership, and deeper engagement by the current membership. I know there is still time before the real work begins, but I wanted to thank all of you ahead of time for the love and support throughout the years. I look forward to serving you as Master of the lodge (the Brethren willing) for the upcoming year and hope to make it a successful one by enhancing our lodge for the future.

Senior Warden

Annual Family Christmas Party

Wednesday December 12, 2018
6:00 PM – 8:30 PM
Los Angeles Harbor Lodge#332
1640 W. 9th St. San Pedro

You won't want to miss our traditional Annual Family Christmas Party when we present Jim Gamble Puppets in their production of *A Visit to Santa's Workshop!*

This is always a popular event for the children (and the child in all of us). Bring your children, grandchildren, friends, and your neighbors' kids to see this fun Christmas production. Everyone will have fun at this special annual event.

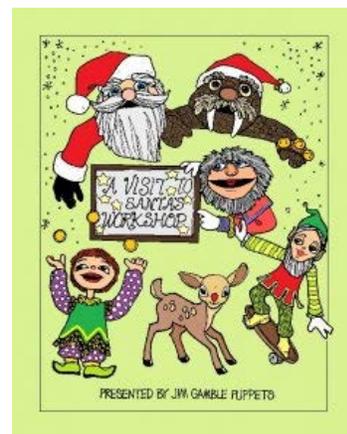

And we hear that Santa will be visiting us again, giving stockings to the children as well as their very own photo opportunity with Santa in his bright red sleigh. Refreshments will be served after the puppet program. Plan to have a lot of fun!
